Mongoose

JavaScript

JSON

AJAX

HTML

CSS

INTERNSHIPS

PROFESSIONAL EXPERIENCE

No experience yet

EDUCATION

BE Computer Engineering

Aug '15 – Nov '20

Rajiv Gandhi Institute of Technology

SELECTED PROJECTS

An app that fetches the weather and forecast details of whichever location you input. <https://shocker-weather-application.herokuapp.com/>.

An app on which you can post your public and private stories and view others' stories. Uses Google OAuth for login.

<https://brad-story-books.herokuapp.com/>

I have built backends for many different kind of software management systems.

Backend for shopping cart, school management system, task-managers, chat applications.

EXTRACURRICULAR ACTIVITIES

Mixed martial arts

CO-CURRICULAR ACTIVITIES

I enjoy reading programming books. Currently on the book 'You don't know JavaScript'
